Parish Life

Welcome

Dear Parish Family:

April is Child Abuse Prevention Month. For years, the Archdiocese of Los Angeles has instituted abuse prevention and reporting programs for adults and minors; fingerprinting and background checks for church employees and volunteers at parishes and schools; clergy formation programs to prevent abuse. Since many of these programs were established seventeen years ago, more than 329,000 adults have been trained in abuse prevention and reporting; 1.4 million Catholic students have received age appropriate training that teaches them to understand appropriate and inappropriate boundaries; more than 168,000 adults have been fingerprinted and undergone background checks.

Know that St. Joseph's has an active safeguard the children committee and we are committed to keeping our children safe. Let us always remember and pray for the healing of victim-survivors of abuse and protection against abuse and misconduct. At the end of this month, we'll distribute this year's newest brochure called "Promise to Protect- Pledge to Heal".

As we enter into the holiest days in Christendom, please take time to join us for the beautiful liturgies of Holy Week and walk with us to Jerusalem, to the upper room, to Calvary and to the empty tomb!

Holy Week Blessings,
Msgr. Kevin

†-Prayers for the Deceased

Lenten Observance

Abstinence and Fasting

Abstinence from eating meat is to be observed on all Fridays during Lent. This applies to all persons 14 and older. The law of fasting on Ash Wednesday and Good Friday applies to all persons 18 or older and younger than 59.

Fasting means that one full meatless meal per day may be eaten. Two other meatless meals may be taken sufficient to maintain strength, but together they should not equal a full meal. Liquids, including milk and fruit juice, may be taken between meals. If health or ability to work are affected, fasting does not oblige. Private, self-imposed observance of fasting on Lenten weekdays is strongly recommended. Pastors and parents should ensure that children who are not bound by the laws of fast and abstinence are taught an authentic sense of penance, conversion and reconciliation.

Did you know that the fishing and aquaculture industry is involved in human trafficking?

According to the Coalition of Catholic Organizations Against

Human Trafficking, this industry "employs a high number of migrant workers vulnerable to trafficking and forced labor." It starts because of a shortage of fishing crews.

Migrants are recruited under false promises. Workers endure long hours in unsafe and hazardous conditions and are often beaten for disobeying orders.

You can help by being an ethical consumer. Go to <http://www.seafoodwatch.org/> to learn more about the products we purchase. ESTHER Ministry is dedicated to informing and educating our parish community about all aspects of human trafficking. Join our email list at estherministry1@gmail.com for more information on our future endeavors.
