# Parish Life

## Welcome

Dear Parish Family:

For decades, the youth of our parish and surrounding Catholic and public schools have enjoyed playing baseball and softball on our field. The dugouts are sparse – a fence and bench. Players helmets, bats, equipment bags, etc., were always scattered on the ground and in the dirt. It was also a hazard. Last May, a local Long Beach 7<sup>th</sup> grade Boy Scout contacted me with an idea for his Eagle Scout Project. Will Morrison spent many **enjoyable years playing baseball on our field. Will's** idea was to build equipment cubbies that would be mounted to the back of the dugouts. The wooden **cubby boxes could hold a player's baseball** equipment, hang bats and equipment bags.

On behalf of the Parish, I approved the project and it was enthusiastically supported by the Long Beach Scout Council. Will did his own fundraising, built the boxes, painted them Knight blue and provided the fellow scouts and parents who recently spent a weekend installing the new equipment boxes. Will, thank you for your initiative, creativity and hard work. Thank you, to the Scout **leadership who supported Will's project. Future** generations of youth will enjoy the equipment cubbies and this improvement to our baseball field. **Next time you're on the field, check out Will's vision** for an Eagle Scout project which has come to fruition.

Have a Blessed Week,  
Msgr. Kevin

# Faith Formation

## Faith Formation Spotlight Sacrament Preparation 2

St. Joseph Parish Sacrament Preparation 2 is for children in 2nd and 3rd grades.

The beautiful child that you brought into the world, named and carried to the Church for baptism, is now ready to make another step in his or her sacramental life. They have reached the time to begin the preparation for their First Holy Communion.

The Archdiocesan Guidelines requires a consecutive two (2) year process to receive First Reconciliation and First Communion. The second year of the process continues these themes and provides the children/youth with a growing sense of their Catholic identity.

## Did you Know...

### Know the signs of denial

Denial is a commonly used defense mechanism for abuse victims. Because they want to believe that things will go back to normal, victims often feel trapped into just allowing the situation to play out. Fear of change can be overwhelming, especially if the victim has been manipulated by his or her abuser.

Victims may also struggle with accepting what's happening because they know their abuser closely, as a family member or friend. It's important to recognize the signs of denial and how to break through those barriers that can keep a victim from true healing.
