Parish Life

Welcome

Dear Parish Family:

As we celebrate Catholic Schools this week, we're grateful for the **308 students of our St. Joseph's School and the leadership of our principal Margaret Alvarez, the loyal and committed teachers and staff. The School's annual Open House is today from 10:00 AM to 12:00 PM and all are welcome!**

Last weekend we handed out new parish census cards and thanks for completing the form and helping us to update our data base. If you have not had a chance to do so the forms are on the tables by the doors, complete it and return it to the Parish Life Center. You can also register online.

Thanks for being a wonderful parishioner and I'll pray for you this week.

Peace,
Msgr. Kevin

Did you Know...

The importance of making rules

As parents, we want our children to see us as their allies and teachers, not just the people who lay down the law. But sometimes, rules are more effective — rules are simple and easy to remember, and leave no room for error. When it comes to your child's safety, rules are critical. And when it comes to your child's body, rules can help them understand how to protect themselves from predators. Establishing rules about who can see or touch their bodies is an important part of preventing child sexual abuse.

For more information, request a copy of the VIRTUS® article "Sometimes a rule is more effective than a discussion" from <http://www.la-archdiocese.org/org/protecting/Pages/VIRTUS-Current-Online-Articles.aspx>.

*Wait for the LORD with courage;
be stouthearted, and wait for the LORD.
