ATTENTIVE TO GOD'S PRESENCE

Summer is in full swing and tent camping is often a memory-making part of it—sometimes just because of the difficulties of putting up the tent! In today's first reading we see Abraham sitting at the entrance to his tent and welcoming three unexpected strangers. By the end of the story God's covenant with Abraham is renewed with the promise that Sarah will give birth to a son. Psalm 15 answers the question, "Lord, who may abide in your tent?" The answer leaves little doubt about what is required to live in the presence of the Lord. In his letter to the Colossians Paul confirms that "the mystery" that was hidden from past ages is now being revealed. The Gospel account of Martha and Mary's ways of welcoming Jesus again emphasizes the central truth that God's promise of salvation is real and present—if only we would listen.

CHOOSING THE BETTER PART?

Is it possible to listen to the Gospel story about Mary and Martha without immediately "hearing between the lines" as Martha mutters to herself, "Why do I have to do all the work around here?" Or without always feeling the sting of Jesus' gentle reprimand of Martha? Without slotting our friends into either the "Martha" or "Mary" column? Without quickly "translating" the story into a lesson about the value of listening over action? Interestingly, Mary never says a word in this story. All of the dialogue is between Jesus and Martha. The importance of first listening to Jesus is, without a doubt, essential to discipleship. We need to be deeply rooted in the Word of God if we want to spread the Good News and stand firm in time of trial or temptation. Yet what does that mean when guests need to be fed?

WHEN WORK BECOMES OUR PRAYER

We know that hospitality to strangers was a central value in the cultural world of Jesus. Abraham's welcome of the three strangers at his tent was expected protocol for the time. Sarah's meal-making for the unexpected guests is blessed with welcome news of a son—and the keeping of God's promise to Abraham. Immediately before the Mary and Martha story in the Gospel of Luke is the story of the Good Samaritan. That parable is unwavering about the importance of action—of going out of our way for others. In the Abraham and the Good Samaritan stories, action predominates. Yet in the next chapter of Luke when a woman in the crowd shouts out, "Blessed is the womb that carried you . . .," Jesus responds, "Rather, blessed are those who hear the word of God and observe it." Hymn-writer Herman Stuempfle expresses well the relationship between action and contemplation when he writes that we thank the Lord both for quiet time and for the Word that accompanies us in our work and helps make that work a prayer.

Safeguard The Children

Knowing the difference between healthy and unhealthy relationships can help prevent human trafficking. Healthy relationships are based on respect, honesty, and trust. In these relationships, partners communicate and help hold healthy, safe boundaries. In unhealthy relationships, one partner holds power, forcing another to sacrifice friendships, family, and even emotional well-being. These relationships are often abusive.

Talk with young adults and teenagers about these differences, how to build healthy relationships, and recognize the signs of unhealthy ones. For more information, read “Healthy vs. Unhealthy Relationships” at <https://www.missingkids.org/content/ncmec/en/blog/2022/healthy-vs-unhealthy-relationships.html>.

Mission Cooperative Appeal August 6-7, 2022

The mission diocese of Imphal in Northeast India is home to 34 tribes of Mongolian origin. The first Catholic baptism in the diocese was recorded in 1952. The Catholic population has grown up to 1, 01283 now. The diocese has 45 parishes, and 8 Mission Centers, 174 priests including 114 indigenous tribal priests. The growth of the Church has always been accompanied by various challenges and persecutions during the past decades. Between 1990 – 2001, six of our young and dynamic missionaries were killed for witnessing the gospel.

Besides direct evangelization, the Church is actively involved in the everyday life of the people through other forms of apostolate like education, health care, self-help program, rehabilitation of the sick, drug addicts and the orphans. Much remains to be done for this interior and underdeveloped region through your participation and generous support.

In spite of the many challenges, missionary efforts are yielding an increase in vocation to priesthood and religious life. The proceeds of the 2022 Mission appeal will be used for providing food, safe drinking water facilities, primary education of tribal girls and health care for the rural tribal population in the newly established parish of St. John in Nungba. We look forward to your generous support for the implementation of this humanitarian project. Rev. Aloysius Seiba representing Archdiocese of Imphal speaks at all masses that weekend.

Psalms

The School of Prayer

We hear the Psalms read or sung at every Mass between the first and second readings, but do we understand their significance?

At the heart of the Bible are the Psalms, prayers from God that help us learn to pray. The Holy Spirit inspired them. Israel sang them. Christ himself prayed them, as did our Blessed Mother. These sacred hymns become our heartfelt response to God's loving and wondrous deeds for us. Their words captivate the imagination and draw us into a deeply personal encounter with God.

We will begin an eleven-week Bible study *Psalms: The School of Prayer* on Thursday, September 8th at 7:00pm on Zoom. Participants will meet every week to view an engaging video presentation followed by a time of lively group discussion and fellowship. For more information or to register, please contact mike@stjosephlb.org or call/text 562-370-0769. Join us to study how to establish a deeply personal dialogue with God through the Psalms.

Our next Zoom meeting is Wednesday, October 12th at 7pm.

We will discuss:

**Soul Gardening:
Sacrament of the
Present Moment**

Rev. Terry Hershey

People who love the world, who pay attention, are gardeners, whether or not they have ever picked up a trowel ~ because gardening is not just about digging. Gardening is about cherishing ~ and to cherish, one must be present ... Here! Now! We see that the ordinary is the hiding place for the holy and ...

- ☞ open our heart to the rhythms of "the garden"
- ☞ embrace the demanding marriage of loving and losing
- ☞ cultivate appreciation for ordinary gifts of grace, the value of solitude, and the healing power of nature
- ☞ nurture our soul, and renew our sense of 'life's fullness'.

Gardens are sacred places that can offer healing for mind, body, and soul. Experience our gardens as restorative, inspiring, & life-giving. Participate in outdoor & indoor workshops, exploring "sanctuary" gardens, with personal time for walks, prayer, rocking chairs, and reflection.

Terry Hershey is an author, humorist, inspirational speaker, ordained minister, and smitten by French wine. He divides his time between designing sanctuary gardens & sharing his practice of "pausing" & "sanctuary," to help us do less and live more. Terry's book, *Sanctuary: Creating places for grace in your life*, offers permission to slow down and to be gentle with ourselves. Most days, you can find Terry out in his garden-on Vashon Island in the Puget Sound - because he believes that there is something fundamentally spiritual about dirt under your fingernails.
