Welcome!

The two-year process for Confirmation at St. Joseph’s Church is an important event for our entire Parish Community. It is when our Parish youth are committing themselves to Christ and His Church. Our young parishioners are making a purposeful decision to step forward and choose their faith just as their parents did for them at their Baptism.

The process of Confirmation presents a unique and personal challenge to become involved in the Church and continue the mission of Jesus Christ. The preparation process is a journey which will bring our youth to full membership of the Church.

At St. Joseph, Confirmation is part of Youth Ministry. The minimum amount of time to complete the preparation for the Sacrament of Confirmation, as determined by the Archdiocese of Los Angeles, is two years. Candidates for Confirmation could take as long as four years, if needed. As a gentle reminder, no candidate should feel that they are pressured or obligated to join the formation process. This would not only defeat the purposes of the program but could create an atmosphere which has the potential to affect the spiritual growth of others.

It is expected that those who wish to receive the Sacrament of Confirmation accept the above-stated understanding of what it means to be Confirmed. Each candidate will participate fully in the process and engage in meaningful reflection on what it means to be a member of the Church.

Failure to meet any of the expectations and/or complete any of the requirements herein stated is equivalent to withdrawal from the program for the year. Candidates may re-enroll the following year.

While the Sacrament of Confirmation is for our youth to become a part of the Church, it is also a special invitation for parents to renew and deepen their own commitment to God and His Church.

We are asking our parents, and candidates with parents’ approval, to sign up to the BAND APP on your electronic devices. (QR can be found below) The Band App is designed to ease group communication and reach members easily with posts on the community board and share upcoming events without making a single phone call.

Re-Enrollment Interview Appointment

You can expect to receive an email regarding the reenrollment interview. You will be invited to schedule an appointment using a link to Sign-up.com. Interviews are typically conducted between April and June. We look forward to meeting with you and your Candidate next spring!

Confirmation Interview Q & A

Are you wondering why your child has a re-enrollment interview?

The Confirmation reenrollment interview is a part of the Confirmation faith formation process. This process helps us to determine your candidate's readiness to move forward to the second year of Confirmation preparation classes. This is also a time for you to evaluate the process – so that we may make the journey more meaningful for others in the future. We want to know what helped you in your journey and what didn't and how we might fix it together.

Do all Confirmation candidates need to be interviewed?

The answer is YES. All candidates must be interviewed prior to moving on to the second year of Confirmation Faith Formation Classes.

Who needs to be present during the interview?

The Confirmation candidate and one parent needs to be present during the interview.

Confirmation Sessions

As a willing participant in the Confirmation process, we expect all teenagers to fully participate in the large and small group discussions. Their full participation shows us their readiness for Confirmation. Our intent is to offer a place where it is safe for them to ask questions and to share their feelings about God and about being Catholic.

Service Hours

Scan QR code to submit your service hours!
