

**CONFIRMATION PROGRAM  
PARENT HANDBOOK**

2026 - 2027

**YEAR TWO**

Welcome!

The two-year process for Confirmation at St. Joseph's Church is an important event for our entire Parish Community. It is when our Parish youth are committing themselves to Christ and His Church. Our young parishioners are making a purposeful decision to step forward and choose their faith just as their parents did for them at their Baptism.

The process of Confirmation presents a unique and personal challenge to become involved in the Church and continue the mission of Jesus Christ. The preparation process is a journey which will bring our youth to full membership of the Church.

At St. Joseph, Confirmation is part of Youth Ministry. The minimum amount of time to complete the preparation for the Sacrament of Confirmation, as determined by the Archdiocese of Los Angeles, is two years. Candidates for Confirmation could take as long as four years, if needed. As a gentle reminder, Candidates should not feel pressured or obligated to join the formation process. This would not only defeat the purposes of the program but could create an atmosphere which has the potential to affect the spiritual growth of others.

It is expected that those who wish to receive the Sacrament of Confirmation accept the above-stated understanding of what it means to be Confirmed. Each candidate will participate fully in the process and engage in meaningful reflection on what it means to be a member of the Church.

Failure to meet any of the expectations and or complete any of the requirements herein stated is equivalent to withdrawal from the program for the year. Candidates may re-enroll the following year.

While the Sacrament of Confirmation is for our youth to become a part of the Church, it is also a special invitation for parents to renew and deepen their own commitment to God and His Church.

## Confirmation Interview Information

All candidates must be interviewed prior to receiving the Sacrament of Confirmation. The Confirmation exit interview is a part of the Confirmation faith formation process. It is the final -step in officially completing the two-year faith formation program requirement. This process helps us to determine your candidate's readiness to move forward in receiving the Sacrament of Confirmation. This is also a time for the teen to evaluate their experience throughout the process. Our goal is to make the journey more meaningful for others in the future.

## Confirmation Sessions

As a willing participant in the Confirmation process, we expect all teenagers to fully participate in the large and small group discussions. Their full participation shows us their readiness for Confirmation. Our intent is to offer a place where it is safe for them to ask questions and to share their feelings about God and about being Catholic.
